**Yield:** 12-14 bites

## Ingredients

- 1 cup apricot jam (use all-fruit jam for Paleo-friendly version)
- 1 cup [Pamela's Coconut Flour](#)
- 2 TBSP milk of choice
- 1/2 tsp vanilla bean paste or extract
- 1/4 tsp salt
- 1/4 cup dried apricots, roughly chopped
- 1/2 cup shredded unsweetened coconut (for rolling)

## Directions

Using a food processor, blend all ingredients (except dried apricots and shredded coconut) thoroughly, and allow to stand for 2-3 minutes. Add in the chopped dried apricots and pulse to combine. Pour the shredded coconut into a shallow bowl or dish.

Roll 1 TBSP of the apricot mixture into a tightly packed ball, and then roll the ball in the shredded coconut to coat. Repeat with the remaining dough. Allow the finished balls to stand for at least 5 minutes before eating. Store in an airtight container in the refrigerator for up to 1 week.
