

French Toast

Make your brunch special with traditional French toast.

Ingredients

- 1 egg
- 1 TBSP milk
- ¼ tsp vanilla flavoring
- pinch of cinnamon
- slices of [Pamela's Amazing Bread](#), or try one of these delicious bread recipes: [Artisan White Bread](#), [Quinoa & Flaxseed Multi-Grain Bread](#), or [Multi-Grain Bread](#)

Directions

Put all ingredients, except bread, in a bowl big enough to hold a piece of bread lying flat. Whip ingredients together with a fork. Place a slice of bread into the mixture, coating it. Quickly turn the bread slice over, coating the second side. Immediately place the bread on a hot, greased griddle and brown. Turn over and brown second side.

Serve warm with syrup, jam, or powdered sugar.
