Directions

Preheat oven to 375°.

Melt butter. In medium bowl, combine Cornbread & Muffin Mix, sugar, melted butter, eggs and water. Mix in sour cream, green onions, and black pepper (if using). Pour into greased 8-inch square pan and bake in the middle of the oven for 35-45 minutes or until a toothpick comes out clean. To make muffins, spray tins or papers well with non-stick spray, fill to top, and bake 20 to 25 minutes.

To re-heat cornbread, wrap in paper towels and re-heat in microwave, or wrap in foil and re-heat in oven.

VARIATIONS:

Sugar substitute

Sugar can be reduced or deleted for a less sweet cornbread. Or, substitute ¼ cup honey or agave liquid to replace the sugar.

Butter substitute

Equivalent butter substitute or ⅓ cup oil can replace the butter.
