

Lemon Zest Sugar Cookies

Add some zest to your sugar cookies!

Ingredients

- 1 bag [Pamela's Sugar Cookie Mix](#)
- 8 TBSP butter or butter alternative
- 1 egg, large (or equivalent of 2 large eggs with egg replacer)
- 2 tsp lemon zest

Directions

Pre-heat oven to 350°. Soften butter in stand mixer, then add dry mix and egg, mixing until dough comes together. Roll out dough between 2 pieces of parchment or plastic wrap. Cut out cookies using cookie cutters or free form with a knife.

Remove excess dough around cookies, place on parchment paper on a cookie sheet, and bake for 8 to 12 minutes until edges just start to brown. If dough becomes warm or sticky, wrap in plastic and refrigerate for 30 minutes to an hour.

OPTIONAL: Sprinkle with large sugar crystals or lightly press pine nuts into top of cookies before baking.
