

Pumpkin Waffles

Add some pumpkin to your morning! Made with our Pumpkin Bread Mix.

Yield: 3 1/2 to 4 waffles

Ingredients

- 1 bag [Pamela's Pumpkin Bread Mix](#)
- 3 eggs, large
- 1/2 cup butter, melted
- 3/4 cup milk

Directions

Pre-heat waffle iron to medium high.

Mix together all ingredients in a large bowl. Spray waffle maker well with non-stick spray. Scoop about 1/3 of the batter into the waffle iron and cook until done; usually this can be determined when no more steam is coming out of the iron, or the waffle maker signals.

Carefully remove from pan either by flipping onto a wire rack, or carefully removing with tongs to a wire rack (to keep crisp) and into the oven, or serve immediately.

Chef's Note: The batter will thicken up by the third waffle; don't add extra liquid. Dollop the remaining batter into the waffle iron and spread with a spatula.
